

Product Information

M.C. CONCENTRATE

Description

This product is an all-purpose cleaner suitable for use on any surface not harmed by water. It penetrates soil quickly, holds it in suspension and rinses free to leave a thoroughly clean surface.

This product is effective in hot or cold, hard or soft water. It is completely biodegradable and phosphate free.

Directions

The use ratios given below are approximate, concentrations may have to be varied according to soiling conditions.

1. For light purpose cleaning and damp mopping use 4 ounces (½ cup) per gallon of water.
2. Extreme soiling conditions and heavy marking of tile and composition tile floors: use 12 ounces (1½ cups) per gallon of water.
3. When cleaning extremely dirty floors, allow solution to remain on surface for 1 to 5 minutes and machine scrub with proper pad before picking up dirty solution.

CAUTION: Contains alkaline builders and organic detergents. For eye contact, flush with plenty of water. Do not take internally.
KEEP OUT OF REACH OF CHILDREN KEEP FROM FREEZING FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY

Specifications

Type product	Synthetic detergent
Appearance	Clear, orange/red
Fragrance	Lemon
Weight per gallon	8.40 lbs.
Viscosity (cps.)	550 ± 250
pH (100%)	9.5 ± 0.5
pH (1% in tap water)	8.8 ± 0.2
Cloud point	None to freezing
Separation point	110°F (minimum)
Freeze/thaw stability	Passes 3 cycles
Biodegradability	Complete
Coverage (2 oz./gal.)	26,000 sq. ft. per gal.
