

# Product Information

## RE-NU

### Description

This carpet shampoo is formulated specifically for use with the bonnet cleaning method. Soils are easily lifted from the carpet leaving it clean and bright. Because the bonnet cleaning technique does not soak the carpet, areas cleaned dry quickly and can be reopened to traffic much sooner than with other methods. The product has a pleasant floral fragrance.

### Directions

1. Vacuum carpet.
2. Dilute 1 quart (32 oz.) of product with one gallon water.
3. Soak bonnet pad in solution and wring out thoroughly.
4. Center pad under rotary floor machine fitted with a driving disc. Move machine slowly over the carpet concentrating on heavily soiled areas. When one side of pad becomes soiled turn it over and use other side. As needed resoak pad and wring dry. Change cleaning solution when dirty.
5. Launder pads in washing machine after use.

**CAUTION:** Eye Irritant. Contains Organic Surfactants. Avoid getting product into eyes.

FIRST AID: If in eyes, rinse eyes with plenty of water. Do not take internally.

Keep Out Of Reach Of Children      For Industrial & Institutional Use Only
