

Product Information

ALL PURPOSE BLUE

Description

This product is a versatile, all purpose detergent designed for use in commercial, industrial, institutional, food service and other areas requiring an effective, quick acting product. It's formulated to meet the environmental requirements demanded today as it is nonflammable, phosphate free, and biodegradable.

This product is made for a wide variety of cleaning jobs such as:

- A. Floor Finish Maintenance
It's excellent for damp mopping floor finishes to remove soil yet not harm the finish. Because of its unique formulation, no rinsing is required even when using hard water. These special ingredients also keep soil from redepositing.
- B. Restroom Cleaner
It quickly and effectively removes soap scum from shower walls as well as cleans restroom fixtures and masonry surfaces. Special ingredients literally dissolve soap scum, eliminating the need for harsh abrasives.
- C. Miscellaneous Applications
It's ideal for use in automatic scrubbers. Its "free rinsing" characteristic assures that no film will remain on the surface.

Recommended Uses

This product's unique, all purpose versatility makes it the right choice for cleaning automotive vehicles, floors, walls, ceramic tile, masonry surfaces, painted metal, formica, chrome, stainless steel and plastic surfaces.

Directions

NOTE: Do not use on unsealed marble or terrazzo unless tested at use dilution in an inconspicuous area to determine if staining or other damage occurs.

The use ratios given below are approximate, concentrations may have to be varied according to soiling conditions.

1. For light cleaning and damp mopping add 1 ounce per gallon of water.
2. For medium to heavy cleaning add 2 to 4 ounces per gallon of water.
3. For cleaning restrooms and restroom fixtures add 4 to 8 ounces per gallon of water. Allow solution to "work" on surface to be cleaned for 2 to 5 minutes. Agitate with brush if needed and rinse with clear water.
4. For use in automatic scrubbers add 4 to 8 ounces per gallon of water.

WARNING

Causes eye irritation.

Wash hands thoroughly after handling.

FIRST AID

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
If eye irritation persists: Get medical attention. If on skin, rinse thoroughly with water.
If swallowed, call a poison center/doctor, if you feel unwell. Rinse mouth.

KEEP OUT OF REACH OF CHILDREN FOR INDUSTRIAL & INSTITUTIONAL USE ONLY

WARNING: This product can expose you to Formaldehyde, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.
