

# Product Information

## M.C. GREEN

### Description

This product is an environmentally safe cleaner that can be used for the toughest degreasing to the mildest cleaning job.

Concentrated and industrial strength, this biodegradable product has the ability to hold grease, dirt, grime and soil in suspension and allow it to be easily picked up or freely rinsed. It can be used to clean almost any surface not harmed by water alone.

### Directions

NOTE: As with any cleaning product, the dilution ratios listed below are approximate. Concentrations may have to be varied according to soil conditions.

1. For mopping, automatic scrubbers, car washing and other light duty cleaning, dilute using 1 to 2 ounces of this product per gallon of water.
2. For general cleaning of walls, countertops, vinyl, etc., use 8 ounces of this product per gallon of water.
3. For carpets and upholstery, use 12 ounces per gallon of water. When used to remove spots and stains from fabric or carpeting, use a small amount of this product on a wet cloth or sponge, blot or brush stain until removed, then rinse thoroughly with clear water. (Don't use full strength on fabrics and always test this product in an inconspicuous area of the fabric for color fastness.)
4. Use full strength on whitewall tires, engine grease or other heavily soiled surfaces.

**CAUTION:** Contains organic surfactants. Avoid getting product into eyes. If it does, rinse eyes with plenty of water. Do not take internally.  
KEEP OUT OF REACH OF CHILDREN FOR INDUSTRIAL & INSTITUTIONAL USE ONLY

### Specifications

Type product . . . . .	Concentrated cleaner/degreaser
Color . . . . .	Green
Odor . . . . .	Sassafras/mint
Weight per gallon . . . . .	8.45 lbs.
pH (100%) . . . . .	9.5 ± 0.5
Separation point . . . . .	>100° F
Freeze/thaw stability . . . . .	3 cycles with mixing
Coverage (8 oz./gal.) . . . . .	6800 sq. ft. per gal.
