

# Product Information

## GROUT SCRUB

### Description

Formulated to clean and brighten stained or soiled tile grout and cementitious surfaces. Helps remove grout haze, scale and efflorescence. Safe to use. Non-corrosive to skin and mild steel. Does not contain muriatic, nitric or hydrochloric acids. Can be used in both interior and exterior applications.

Do not use on surrounding tile surfaces that may be harmed by acids, such as marble, travertine or limestone.

Phosphate free. V.O.C. content: <50 g/L

### Directions

Eye protection and gloves are recommended.

Always test in an inconspicuous area for compatability prior to full application.

1. Sweep or vacuum surface to be cleaned to remove all loose soil or debris.
2. Spray product on grout lines, allowing solution to penetrate.
3. Agitate grout with brush or rotary machine.
4. Rinse thoroughly using a neutral cleaner or clean water.
5. Allow grout to dry completely before sealing.

**Causes serious eye damage.**

Wear eye/face protection.

### FIRST AID

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Immediately call a poison control center or doctor.

If on skin: Rinse area thoroughly with water. Remove contaminated clothing and launder before reuse.

If swallowed: Immediately call a poison control center or doctor. **Do not** induce vomiting.

If inhaled: Remove person to fresh air.

READ SAFETY DATA SHEET

KEEP OUT OF REACH OF CHILDREN FOR INDUSTRIAL & INSTITUTIONAL USE ONLY
